**DEBTOR'S STATUS CONFERENCE REPORT**

COMES NOW Epic Smokehouse LLC, Debtor-in-Possession, through counsel, and submits this report pursuant to 11 U.S.C. § 1188(c).

At this early stage in the case, the Debtor has been in discussions with creditor(s) (including counsel for the landlord, the matter that prompted this filing), but has yet to engage in any extensive discussions about a consensual plan. The Debtor intends to follow up on those discussions with an eye towards seeking a consensual resolution where possible.

While not committed to any particular course of action and not intending to bind itself to any approach, Debtor anticipates that it will, through a combination of equity investment, repayment of debt owed to the debtor, settlement/payment of avoidance claims, and from operations, generate sufficient funds to cure the lease arrears and assume the lease. The arrears on the SBA secured claim will likely be cured and that claim paid per its terms. Priority and general unsecured claims will be paid in full or in part from operations and as described above.
